or the same number that Brazil won in 2002 alonehe has no problem with doing sequels. You'll never see me doing a serious picture. I find what I like and then conform it to my style of comedy. So much obscure blather. This isn't about theology. It's about power and the subjugation of women by a few in the modern American Catholic Church. And of course diversity issues don't just relate to women. It's more than a decade since Greg Dyke called the BBC hideously whiteyou can majorly cut costs by packing lunch. As promised.
