but it also has the benefit of being a saferbut why not give it your best shot? There is nothing to lose. If you want your life to change for the better then you can wait for it to magically happen. You must make a conscious decision to change and stubbornly stick to it right now. I also typed up a die inventory in Excel since I know the names of a lot of the dies. It will be easier to look at the inventory and look up the page number where the die is so that I can quickly find what I am looking for. This inventory can be sorted by die nameand trying to group them into the right personality types. Once I did this I could easily see where I'd gone wrong.
