Four Hours of Tons of Ass. Two Tons of Black Fuckin Fun! We never get full of cock. These chocolate beauties love cock as much as food. They will suck and fuck until every drop is spent. They want you to spread their plump cheek wide and drive to deepest depth in the world!It's Black Amateur Hour and these sluts are eager to get started! They may be amateurs on camera, but it's pretty clear they're not amateurs when it comes to sucking cock or taking a deep pussy dicking! They give bangin' blowjobs, take hardcore pussy poundings, and one amateur slut even gets her ass stretched, followed by an ATM shot and a mouthful of joy!There's a problem when horny sistas like fucking and sucking too much, they can't get enough of it so they bring home every big black dick they can find!!! They call it being insatiable, you'll call it a non-stop, cum soaked gangbang!!! Wet, pink holes and huge black cocks... it doesn't get any nastier than this!!!!2 Hott Too Upload is a squirt giving, finger poppin', double team action, phatty curlin', movie of the year. It is the hottest in BBW action and the best part of it is that all the sexy BBW women are in it. Special guest Thickness and her associate Foxy are among a few who are rocking it out with us. Nothing can save you from the burn!These chocolate babes are so horny that they are willing to fuck just about anything. Their ultimate fantasy is to put a thick pole deep into their throat and suck into the last drop has been expelled. Once they are done with it, they would just love to ride and ride!
