Ukrainian prostitutes have created on the Internet a site with a map, from which only can note short where systematically the priestesses of adulation work up, writes Segodnya. The fantasy of ??such a helmsman Ukrainian "night-time butterflies" borrowed from colleagues from Moscow. On the Russian map, there are not sufficiently places in the direction of untrained flag-signers. But judging sooner than the capital map, the most prostitutes (about 20) are perceptive to purvey their services in homes near the Maidan, respective on Lesia Ukrainka Boulevard, the take it easy - in the residential areas of Kyiv (Svyatoshinsky and Obolonskyy). Here is a position with a map. Prices for prostitutes also depend on their location. So, priestesses of lover in the center of the main take 400 hryvnia per hour, and from Svyatoshinskikh already twice as much - 800 hryvnia.
