

В какой школе быть лицею?

Послан Ольга - 16.02.2012 10:28

Считаю, что целесообразно открыть лицей на базе МБОУ «Лицей №174». В этой школе созданы условия для углубленного изучения предметов (физика, математика), имеется опыт профиориетационной работы - хорошие кадры, материально-техническое оснащение кабинетов. Не случайно именно в этой школе был открыт РОСАТОМ-класс.

Finally everybody was drunk enough to dance. But soon we realised that simply dancing is boring. So our witches used their magic to make everyone naked.FuckerLife - Russian Amateur students group outdoor sex orgy & middot; Porn download & middot; Katz Rapidshare & middot; Home - Search - Chat - Sign in - Register Now!
