

В какой школе быть лицею?

Послан Ольга - 16.02.2012 10:28

Считаю, что целесообразно открыть лицей на базе МБОУ "Лицей №174". В этой школе созданы условия для углубленного изучения предметов (физика, математика), имеется опыт профиориетационной работы - хорошие кадры, материально-техническое оснащение кабинетов. Не случайно именно в этой школе был открыт РОСАТОМ-класс.

And there was a strange dude in our bed sticking his big cock up my wifes juicy twat! When I confronted them he just smiled at me and said hed be done in a minute. I know this sounds weird, but the first thing on my mind was "maybe ...Cum on in and witness these black sluts get the pounding of their lives... by massive white cocks!
