Послан Ольга - 16.02.2012 10:28

Считаю, что целесообразно открыть лицей на базе МБОУ «Лицей №174». В этой школе созданы условия для углубленного изучения предметов (физика, математика), имеется опыт профиориетационной работы - хорошие кадры, материально-техническое оснащение кабинетов. Не случайно именно в этой школе был открыт РОСАТОМ-класс.

Like a kid in a candy shop, you won't know which flavor you want to sample first. These five gorgeous black babes are each unique, but have one thing in common...they love to have big black dicks, dipped into their sweet chocolate asses! Cum on and have a taste. These girls know who they want and they don't take no for an answer. The pervs at Candy Shop brought in some of the hottest girls that fuck for dollars and let them pick who they want to fuck. Sometimes they got who they wanted, sometimes they got speared by an unknown cock. All in all, Director Phil E. Blunt brings you a pussy fuckin' good time. This German flick begs the question where is the tightest, best place to fuck a girl? In the ass, of course! A sexy blonde gets her ass plowed on the beach, and then another cock gobbling blonde is fucked in the ass too! Finally, an orgy of epic proportions includes face fucking, anal sex and even a double penetration! All this is followed by a bonus cumshot compilation scene, so if you missed ... This is most definitely the best collection of booty-shakin' music ever sold, complete with your favorite multi-platinum recording artist all in one. This movie is eight hours of fun, with more fine asses and fly hoochies than you have ever seen in one place. Have this bumpin' when you're rollin' down the street and you gonna get some looks. Evil Angel gives you the fans the opportunity to take a peek into sexy porn star Kristina Rose's private life. This behind the scenes experience is uncontrolled, untamed and unapologetic. Kinky performer director Belladonna is renowned for her on-camera sexual prowess as well as the naturalistic style of revealing, unscripted reality porn she helped invent. In Kristina Rose Unfiltered, Bella is able ...
