

В какой школе быть лицею?

Послан Ольга - 16.02.2012 10:28

Считаю, что целесообразно открыть лицей на базе МБОУ «Лицей №174». В этой школе созданы условия для углубленного изучения предметов (физика, математика), имеется опыт профиориетационной работы - хорошие кадры, материально-техническое оснащение кабинетов. Не случайно именно в этой школе был открыт РОСАТОМ-класс.

In this all black flick we find out why Everybody Loves Skyy Black, because she's willing to do almost anything sexually. We see her first in a lesbian scene with Angel Marie where they have some awesome strap on sex. Next is a foursome where Skyy and Angel Eyes take on two studs. Then we see two threesome scenes where Skyy handles 2 cocks with ease and a one on one scene complete with anal. It's time to watch some lost footage of your favorite classic porn star, Christy Canyon! With 16 scenes to watch of this busty star you'll feel transported back to that bygone era of porn with a plot, pretty retro isn't it? This beautiful brunette will leave you speechless as she gets down and dirty with other classic stars like Ron Jeremy, Randy West and the lovely Sasha Strange. Four hours of Ms. ...Lady Snow and Miss Simone are just two of the beautiful chocolate babes who like to give head... and balls! They'll suck you and stroke you til you beg for more! Give 'em a gooey white facial to finish it off, and then bring on the next bitches. They only want one thing - to drain your hard bone dry! Give 'em what they want. Big black booty call! Sky Black's seriously dangerous hot ass goes up against Sinnamon Love's award-winning abilities in this «catfight» full of the hottest, wildest, nastiest scenes in XXX! Winner of the 2004 AVN Award for best double analdouble vaginal scene, Ms. Love gives Ms. Black a run for her money in the 'taking it all in' department, and Ms. Black's infamous cushions have been known to squeeze ...If you like seeing healthy female amateurs you've come to the right place. There are ladies featured in this movie have real shapes and curves no skinny chicks here. The realness doesn't stop there because they're armatures that fuck behind closed doors. There are even scenes filmed on the beach. You'll see hardcore anal and you can tell by the grotesque labia and anal tulip on the girl in scene five ...
