

В какой школе быть лицею?

Послан Ольга - 16.02.2012 10:28

Считаю, что целесообразно открыть лицей на базе МБОУ "Лицей №174". В этой школе созданы условия для углубленного изучения предметов (физика, математика), имеется опыт профиориетационной работы - хорошие кадры, материально-техническое оснащение кабинетов. Не случайно именно в этой школе был открыт РОСАТОМ-класс.

Private Parade - Extra Scharf 100 is a compilation of the hottest sex scenes from the freakiest of the freaky - the German pornstars! There are a few sex acts done out in the general public and a few behind closed doors. All in all, you'll never hold onto your seat like this with any other production. Lube up and imagine one of these ladies taking you to ecstasy. Tia's a light mocha nympho who wants to be smothered with jizz. Jemeni sucks, fucks and is inseminated by a big bone. Janet's tight pussy drains Duane's nuts. Candice's awesome natural titties bounce all over the house when Tyler tears up her pussy and spreads some slimy seed inside! Featuring nine beautiful curvy women of color shaking their best ass-sets. These big titted, round assed, voluptuous gals are built and stacked for sex and they definitely use what they've got to their advantage! They take big black cocks in their wet pussies and ass! Cum enjoy these coke bottle shaped beauties in eight breathtaking scenes! Short Stack has yearned her name and all it takes is one glance at your voluminous form and overflowing breast to see why. All natural rolls of pleasure spill over every bra she tries on. What is she to do? Despite never finds the right bra, Short stack finds herself wet and needing some sexual release. It's almost a shame that poor Yasmine is all alone with no one to play with, almost. She's ready to go, but since no one's around she'll have to play with herself. She's hot and horny and she's got all the dildos, vibrators, and butt plugs a girl could need. After all who knows what gets her off more than her? I thought so, enjoy.
