

В какой школе быть лицею?

Послан Ольга - 16.02.2012 10:28

Считаю, что целесообразно открыть лицей на базе МБОУ "Лицей №174". В этой школе созданы условия для углубленного изучения предметов (физика, математика), имеется опыт профиориетационной работы - хорошие кадры, материально-техническое оснащение кабинетов. Не случайно именно в этой школе был открыт РОСАТОМ-класс.

They're big, they're black, and they are freaky. These chicks' bootie are phat as hell and they are horny as a motherfucker! Watch these big black asses get fucked in all sorts of positions and their face get covered in cum! These are by far the biggest black asses you will ever see! Come get some! Filthy black bitches taking their fucking and sucking to the extreme! There's nothing like four freaky black bitches taking all the cock they can get and then asking for more! Watch 'em get filled and drilled! Total freaks and damn proud to show it! Heather does a lot of things well, but one of her specialties is blowjobs. Part of the reason she is so good is the combination of her pretty face and those enchanting eyes looking up at you. Another reason is her confidence. She knows what she is capable of doing. She can finish you off in a throbbing heartbeat or let it last a little while. It depends on her mood and how playful she feels. Remember, ... Wives are supposed to obey their husbands under any circumstances and this one has. One simple early morning blowjob left her in disarray and in search of more. She dresses up in lingerie for her husband and lets him tease her clit with a vibrator. She even lets his friends take advantage of her in their loving home. Enough was enough when he decided to organize a gangbang. What he didn't expect was ... Get ready for some relentless pussy plowing, titty fucking, and big phat ass loving! Gotta love it when a thick chocolate honey backs that sweet round ass right up onto a stiff and willing cock! A wall-to-wall fuck-fest sure to drain your balls dry! Back that sweet azz up!
