

В какой школе быть лицею?

Послан Ольга - 16.02.2012 10:28

Считаю, что целесообразно открыть лицей на базе МБОУ "Лицей №174". В этой школе созданы условия для углубленного изучения предметов (физика, математика), имеется опыт профиориетационной работы - хорошие кадры, материально-техническое оснащение кабинетов. Не случайно именно в этой школе был открыт РОСАТОМ-класс.

With Felina knowing how her homegirl felt, she realized that neither one needed a man.These women are the "crazy chicks". Not only are they nuts they are BBW's that don't hold back from doing what they want to do. They let it all hang out and they want these two guys' cocks and each other's pussies. The give blowjobs, they get fucked in all different positions, use a strap on and they like cum. All scene outdoors, except for the female solo masturbation scene with a banana.
