

В какой школе быть лицею?

Послан Ольга - 16.02.2012 10:28

Считаю, что целесообразно открыть лицей на базе МБОУ «Лицей №174». В этой школе созданы условия для углубленного изучения предметов (физика, математика), имеется опыт профиориетационной работы - хорошие кадры, материально-техническое оснащение кабинетов. Не случайно именно в этой школе был открыт РОСАТОМ-класс.

These chicks may be dark and new, but they will show you hot old tricks done the right way. Watch Punkin get her honey pot broken in and filled with a creampie. We met Ivy Black at an adult video expo and she couldn't wait to show us she had what it takes to get fucked on film. Ms. Convince was so convincing with her curvaceous shape and superb dick sucking skills. These bimbos are wanted: Braindead or Alive. Are they innocent? Who gives a fuck?! But they were framed, fucked and now they're hauling ass to Mexico. Do you like hairy pussy? I'm talking sweat, juicy, plentiful hairy pussy? Well these sistas got mad bush! Full thick nappy pelts of love in all the latest styles! Thick curly butterflies, hairy bearded hamburgers, and classic 70's V-cut bushes are all here! If your dick is already hard from reading this just wait until you watch the movie! Sasha is hot in this torrid interracial flick. The hired male stud was late for the video shoot so Sasha decides to recruit the handyman! This is sort of like sex 101 as Sasha dominates the man and instructs him in the art of filming and fucking. Plenty of face-sitting, doggy-style, blowjobs and pure old fashioned fucking. Sasha has Extra Large Lovely Breasts and a nice soft round ass! Her measurements ... Ass just don't get much better than this! Watch as these fine ho's put their greatest asset to use. You won't believe your eyes as these women, with talents you only dream of, use that big ol' booty to please their man in the most satisfactory of ways. Their asses just beg to be cummed on and they aren't disappointed!
