

В какой школе быть лицею?

Послан Ольга - 16.02.2012 10:28

Считаю, что целесообразно открыть лицей на базе МБОУ "Лицей №174". В этой школе созданы условия для углубленного изучения предметов (физика, математика), имеется опыт профиориетационной работы - хорошие кадры, материально-техническое оснащение кабинетов. Не случайно именно в этой школе был открыт РОСАТОМ-класс.

Black Perspective is a Sunshine Films production featuring scene after scene of the hottest all black, guy-on-girl action. Featuring seven scenes of blowjobs, pussy eating and fucking ending with huge cum shots including many great facials. Let these black chicks put it all into perspective for you! The first freak up is Deja, a 19 year-old, slim, brown-skinned cutie pie. She wraps her full lips around Byron's mammoth dick and gives up her tight hot pussy in a bathroom scene. Obsession and Caramel take on Lex Steele. The two freaks give him a double dick suck, then take turns working their wet pussies over his dick and drink his jizz. Leilani and Porsha, two fine black tramp ho's, do Tony Eveready ...Don't let them get away. They're hot, they're horny and they're chubby. These gals are made for those who like a little meat on the bone. The bigger the cushion, the better the pushing so don't miss out on these chubby chasers who take it to another level when too much just isn't enough! Big girls need love too! Cum see these big-breasted cock livers in action as they fuck and suck for your viewing pleasure! They love to wrap their hungry mouths around a stiff cock before they demand that every hole be filled...at the same time! Grab a box of Kleenex, some lube and get ready for the fuck-fest of the century! Loyda and Cristian are raw and unedited! Loyda is spending a great deal of time getting herself off before Cristian comes along to help her out with his tongue and hard cock in her wet pussy. Before long Loyda is back to servicing her own parts. Maybe she needs more of a cock than Cristian has?
