

В какой школе быть лицею?

Послан Ольга - 16.02.2012 10:28

Считаю, что целесообразно открыть лицей на базе МБОУ «Лицей №174». В этой школе созданы условия для углубленного изучения предметов (физика, математика), имеется опыт профиориетационной работы - хорошие кадры, материально-техническое оснащение кабинетов. Не случайно именно в этой школе был открыт РОСАТОМ-класс.

You're about to get ass and tits galore in this third edition of a series filled with ebony honeys that love to suck cock and climb their big ass on top of a dick and ride! They show you how they make their big booties clap before dropping to their knees to fill their mouth with cock! Then they get fucked in every position, even face fucked, and left dripping with jizz! Various females are interviewed on their sexual fantasies, likes, and dislikes before buzzing into an apartment to be fucked by their anxiously waiting studs. They all prove that they have a healthy, huge sexual appetite and that they can fuck with the best

of them! They love sitting on thick, uncut cock! They adore the way a cock swells just before it shoots its copious load into their little mouths!
