

В какой школе быть лицею?

Послан Ольга - 16.02.2012 10:28

Считаю, что целесообразно открыть лицей на базе МБОУ «Лицей №174». В этой школе созданы условия для углубленного изучения предметов (физика, математика), имеется опыт профиориетационной работы - хорошие кадры, материально-техническое оснащение кабинетов. Не случайно именно в этой школе был открыт РОСАТОМ-класс.
